

# The Kiwanis Club of Florence

*Serving the Children of the World*

## Continuous Service....

The Kiwanis Club of Florence was founded December 1, 1922 and has served Florence and Lauderdale County for over eighty-six years. We take pride in this rich heritage of service. Serving the children has always been an emphasis.

The Kiwanis Club of Florence contributes to over forty five agencies that support children, youth, college-age, and adult programs. These contributions are made possible from individuals and businesses of our community who provide supplies, products, and discounts for supplies. Thank you one and all. Our two major fundraisers each year are Pancake Day, which is hosted in late February or early March, and Peanut Day, which is usually scheduled in September. The success of these events has allowed the Florence Kiwanis Club to distribute thirty to forty thousand dollars yearly to these agencies. This speaks highly of the community's willingness to help others.

The Florence Kiwanis Club family includes: a Builders Club in Riverhill Middle School, Key Clubs in Florence, Wilson, Central, and Rogers High Schools. These young affiliates are contributing to the community and are learning to be leaders of the future.

A typical club meeting begins with a tasty meal, singing one verse of "America", a pledge of allegiance to the American flag, a prayer, and a short period for club business, then a program. Fun and fellowship are dispersed throughout the meeting. Visitors are welcome.
